

STARCREST ALCORCON

ROBOTICS | COMPUTER SCIENCE | DESIGN TECHNOLOGY | CYBERSECURITY

Chiang Mai, Thailand | alcorconstarcrest@gmail.com

PROFILE

Innovative international-school educator with more than a decade of experience in educational technology, specializing in robotics, computer science, design technology, and cybersecurity. Designs inquiry-driven curricula, builds maker-centered programs, coaches competition teams, and coaches teachers to integrate technology.

CORE EXPERTISE

Robotics Curriculum	VEX & LEGO Engineering	Coding & Computer Science	Design Technology	Maker Space
Design Thinking	AR/VR Learning	AI & Digital Literacy	Technology Integration	AP Cybersecurity

PROFESSIONAL EXPERIENCE

CHIANG MAI INTERNATIONAL SCHOOL | Chiang Mai, Thailand

JUL 2025 - PRESENT

- Middle School Computer Science, Robotics & Design Technology Teacher | High School AP Cybersecurity | Afterschool Robotics & Game Design Programming Coach
- Expanded the Robotics Club from **2 to 4 official VEX teams** and increased middle school female participation from **2 to 8 students**.
 - Established a high-school-to-middle-school mentorship pathway, enabling **5 high school leaders** to earn service hours while coaching younger teammates.
 - Designed a vertically articulated **Grades 6-8 robotics curriculum** with learning progressions, formative assessments, and performance rubrics; helped move robotics from a 2024 after-school club into the 2025 middle school curriculum.
 - Initiated and coordinated logistics for middle school participation in the **Canadian Coding Competition** in February 2026.
 - Launched and taught the program's **first international AP Cybersecurity Career Kickstart cohort outside the United States** (2026), creating standards-aligned curriculum, assessments, and teacher resources.
 - Created authentic design challenges, including Grade 7 game-design projects for elementary clients that produced functional controller-based prototypes and applied circuitry solutions.
 - Introduced AI and digital literacy across middle school courses and launched student learning portfolios; expanded participation from the initial rollout to **four additional subject teachers**.
 - Coached school, local, and national robotics teams, overseeing registration, logistics, season planning, match preparation, and the classroom's engineering tools and resources.
 - Led professional learning for educators and a parent technology coffee on healthy digital habits, supporting families in creating Family Tech Plans and using curated resources.

INTERNATIONAL SCHOOL MANILA | Manila, Philippines

AUG 2013 - 2024

- ES/MS EdTech Integrator | STEM Summer Camp Faculty (through 2025) | Activities Head Coach | EAL Teaching Assistant
- Launched and grew ES/MS offerings in robotics and coding, Techbits, digital design, stop-motion, makerspaces, AR, and VR.
 - Coached, mentored, and co-taught with educators across Grades 1-6, strengthening technology integration, digital literacy, and inquiry-based learning.
 - Planned and managed Tech Hive and makerspace environments, curated technology resources, and led professional learning for educators, staff, and parents.
 - Led a Google Educator initiative that supported **50 educators** in completing professional development and earning Level 1 and/or Level 2 credentials.
 - Helped establish and sustain ISM's robotics and technology summer camps as a pioneer coach (2017-2025), with typical waitlists of **approximately 50 students**.

ADDITIONAL EXPERIENCE

DA VINCI BRICKS | Metro Manila, Philippines

2015 - 2019

Robotics Teacher & Consultant (Part-time)

- Co-led program planning, marketing, and implementation, helping secure contracts with **two private schools** in Metro Manila.
- Designed, delivered, and evaluated curriculum-aligned robotics programs; trained and onboarded new robotics instructors.

MARIA MONTESSORI FOUNDATION | Manila, Philippines

AUG 2009 - JUL 2013

Secondary English Teacher

- Aligned Grades 7-11 English and Literature curricula to Common Core Standards and supervised advisory activities, outreach programs, field trips, and student fundraising events.

EDUCATION & CREDENTIALS

EDUCATION	CERTIFICATIONS
Master's in Educational Leadership National Teachers College - 12 units completed; ongoing	AP Cybersecurity Teaching Certification - Jul 2026
Bachelor of Secondary Education Philippine Normal University	IB MYP Workshop Certification - May 2026
Professional Licensed Teacher April 2010 - present	ISTE Certified Educator/Coach - 2024
	Google Certified Educator - Levels 1 & 2
	VEX Robotics Certification
	Apple Teacher - 2020

LEADERSHIP & WORKSHOP PRESENTATIONS

- **AIFE 21st Century Learning Presenter** - Yokohama International School, Apr 2026 | AI Literacy for Middle School Students
- **EARCOS Middle School Workshop Presenter** - South Saigon International School, Jan 2026 | Collaboration and Feedback Across Middle School Students
- **EARCOS Teacher Workshop Presenter** - Shangri-La Bangkok, Mar 2024 | Bridging the Scale Gap - STEM
- **ISM Learning Byte Speaker** - International School Manila, 2023-2024 | AR/VR and technology integration
- **ISM WASC Mid-Cycle Implementation Committee** - 2024
